

Nat Geo US picks up Ice Pilots NWT

4 hours ago by [Brendan Christie](#)

National Geographic US has picked up season one of Omni Film Productions' *Ice Pilots NWT*. The series takes off on the American net this May.

Season two of *Ice Pilots NWT* is already airing on History in Canada, with season three in front of the camera. The series has sold into Australia, Belgium, France, Germany, New Zealand, Scandinavia and the UK.

Omni produces in numerous genres, including kids, factual and fiction, with credits such as *Defying Gravity*, *Robson Arms*, and *Edgemont* in its catalog.
